

## Pig Nipple Drinker

Deba Brothers® is a leading China Pig Nipple Drinker manufacturers. Stainless steel piglet nipple drinker G-1/2"thread (European pipe thread) or NPT-1/2 (American pipe thread) is favorable.

## Product Description

Deba Brothers® is a professional China Pig Nipple Drinker manufacturers and suppliers, if you are looking for the best Pig Nipple Drinker with low price. Deba brothers® can directly set up a pig nipple drinker on the feeder. Pig nipple drinkers are a cost-effective solution for clean drinking water and reduce contamination. To minimize water losses, the right pig nipple drinker's height is important. When drinking, the pig's head should be inclined upwards so that the water flows directly into the pig's mouth. This is why the nipples are placed at different heights in piglet rearing and finishing.
